Portion of Maluhia Road to close on April 12

ŌMA'O – A portion of Maluhia Road will be closed for approximately 30 minutes on Friday, April 12, for tree removal work conducted by Green Energy Team.

Work will occur between 9 and 10 a.m., to allow Green Energy Team to remove two remaining albizia trees along Maluhia Road, located approximately a half-mile north of Alaneo Road.

During the road closure, the Department of Public Works Roads Division will be assisting with traffic control and will be diverting motorists to Ōma'o and Kōloa roads.

Motorists should allow extra travel time, and are urged to follow all speed limits and traffic signs.

For more information about the road closure, please call Scott Suga with the Roads Division at 241-4844.
